

PROVIDING SERVICES WITH PRIDE AND PROFESSIONALISM

AMBICA GROUP

Founded in 2005, Ambica supports varieties of missions for the customers from logistics support, training, renovation, renewables, energy upgrades, dams and spillways restoration to new construction.

We offer a broader range of contracting services due to our significant technical and reach-back capabilities. Our professional and technical expertise in construction, environmental, and engineering provides our customers with the right skill sets to match the specific needs of their projects.

Our customers are governmental entities as well as major IDIQ holders working for the government. We hold numerous IDIQs, MATOCs, and MACCs contracts for U.S. Army Corps of Engineers, NAVFAC, Marine Corps, Air Force, Coast Guard, National Guards, and NASA.

ABOUT US
